2 Eligibility to participate

2.1 Exhibitors

Only manufacturers that are entered in the commercial register or in the Handicrafts Register are permitted to participate at Anuga. Such producers

must exhibit products that correspond to the focus of the event (see the list of products). You may only participate as an exhibitor if the exhibited products are manufactured or developed by your company itself or developed or produced on its behalf and exclusively marketed or, in the case of services, exclusively provided by your company.

You can exhibit for the companies you represent as a commercial representative, sales company, association and importer insofar as the goods exhibited are not offered by any other company at the trade fair and you possess the necessary rights to present the exhibits. Koelnmesse GmbH also requires that proof of the nature of the manufacturer's business or of the activities as the manufacturer's sales company or importer be submitted in appropriate form on demand.

All exhibited products and services must correspond to the focus of the event. The registration is effective only in connection with the product list, **form 1.31**.

Sweets and snack products (see list of products 1.31) may only be presented to a limited extent. Stands may be no larger than 20 sqm.

Medicinal products may be presented only if they have been approved by the Federal Institute for Drugs and Medical Devices (BfArM) or the Commission of the European Communities and the Council of the European Union. Please note the regulation in Item III of the General Section of the Conditions of Participation.

Organic products may only be presented within the trade show Anuga Organic if they have the appropriate certifications. Exhibitors at the trade show Anuga Organic are furthermore obliged to present mostly organic products at their stand. Application for participation at the trade show Anuga Organic is only valid in combination with Form 1.32.

The products must be new ex-works. Products and services that do not correspond to the list of products and used products may not be exhibited or offered.

Decisions on company admissions, eligible products and the location of stands will be made by Koelnmesse GmbH. In the event of a rejection, you will receive a separate letter.

2.2 Co-exhibitors

The participation of co-exhibitors and/or additionally represented companies at Anuga is possible. A special application and the acceptance by the organiser are required for the use of the stand area by a co-exhibitor (see Item V of the General Section of the Conditions of Participation).

3 Participation fee and other costs

3.1 Participation fee: per sqm of floor space

(minimum recommended size: 12 sqm)

If registered by 30 Sept. 2018	EUR 254.00 EUR/sqm (early bird discount)
If registered on or after 1 Oct. 2018	EUR 270.00 EUR/sqm

(The price is determined by the date the application forms are received by Koelnmesse GmbH)

The participation fee does not include the provision of stand partition walls or other special construction elements.

In the case of two-storey exhibition stands, the area in the upper level actually approved after technical inspection will be calculated at 50 % of the participation fee per sqm of the floor space.

The participation fee will be calculated according to the dimensions of the stand area allocated. Hall pillars and other fixed construction elements present in the rented stand area do not provide grounds for a reduction of the participation fee.

The two-storey exhibitions stands will be invoiced for after the exhibition is finished.

3.2 AUMA fee

The Association of the German Trade Fair Industry (AUMA) charges you a fee of EUR 0.60 per sqm for representing your interests. Koelnmesse GmbH has

agreed to take over the calculation and collection of the fees in the name of, and on the account of, AUMA. The AUMA fee is also charged for storage space and for the upper level of a two-storey exhibition space.

More detailed information is available at www.auma-messen.de.

3.3 Energy costs

EUR 9.00 per sqm of occupied stand area as a proportional flat-rate energy fee for electricity, water consumption, compressed air etc. at your stand. The flat-rate energy fee is also charged for storage spaces and for the upper level of a two-storey exhibition stand.

3.4 Down payment for services

Koelnmesse shall be entitled to charge a reasonable down payment for the services used for the event in question – e.g. electrical and water connections, stand cleaning, etc. The down payment for services shall be assessed on the basis of the services charged for the previous event. The down payment for exhibitors who have not participated in the previous event shall total 30.00 EUR/sqm – plus the cost for the obligatory marketing services (Marketing Package); see Item 7.2, Special Participation Conditions.

Once the event has ended, a separate final invoice for services will be issued; the down payment will be applied towards this amount. The invoice shall fall due for payment immediately following receipt. If the amount of the down payment should exceed the fees actually incurred for services, the amount by which the down payment exceeds actual charges shall be refunded to the exhibitor. The exhibitor shall have no claim to payment of interest on the down payment.

3.5 Co-exhibitor

Insofar as the inclusion of other companies is permitted at your stand (see Item V of the General Section of the Conditions of Participation/Item 2.2 of these conditions), a co-exhibitor fee of EUR 250.00 per company will be charged. The price of an entry in the Marketing Package is not included in this fee (see Item VII). The co-exhibitor fee remains payable should the co-exhibitor not participate in the event. The main exhibitor will receive the invoice.

3.5.1 Additional represented company

The participation fee of each additional represented company is free of charge. The mandatory inclusion in the marketing package is calculated with EUR 250.00. The main exhibitor will receive the invoice.

3.6 Marketing services

Use of the marketing services described in item 7.1 shall be obligatory and is subject to a charge (see Item 7.2, Special Participation Conditions).

3.7 VAT

All prices given are net prices. The statutory VAT will be charged separately where applicable

3.7.1 VAT identification number

As a rule, Koelnmesse GmbH provides exhibitors (proprietors) with a uniform service – so-called event service – in accordance with Art. 3a.4., Par. (2) of the German ordinance on the application of the VAT (UStAE). The place of performance for such services is the recipient's headquarters. Koelnmesse GmbH will therefore invoice foreign exhibitors (proprietors) according to the reverse charge accounting mechanism without charging any German VAT. Exhibitors from the European Union need to enter their valid VAT identification number in the application form in order to be considered entrepreneurs. Exhibitors must immediately notify Koelnmesse GmbH in writing of any changes to their VAT identification numbers.

3.7.2. Reimbursement of VAT

If, in exceptional cases, services are not provided as uniform services in the sense described above and statutory VAT is charged, foreign exhibitors (proprietors) may receive a refund of the invoiced VAT provided they fulfil the legal requirements. Further information is available at www.bzst.bund.de.

3.8 Costs in the event of non-participation

3.8.1 After receipt of admission/stand area confirmation

You cannot normally withdraw from the contract after you have received the admission/stand area confirmation. The regulations contained in Item II of the General Section of the Conditions of Participation apply. In the event of non-participation, companies that have registered for a trade fair must pay compensation amounting to 25 % of the participation fee if the reserved stand area can be rented to a third party.

3.8.1.1 Stand construction by Koelnmesse – Complete stands

If you have ordered a complete stand – comprising the stand area and stand construction from Koelnmesse, you may cancel the stand construction order only if you do so no later than six weeks before the stand construction order only if you do so no longer than six weeks before the stand construction period officially begins. The date on which Koelnmesse GmbH receives the exhibitor's declaration is the criterion for determining if the deadline has been met. For cancellations received after the deadline, Koelnmesse GmbH is entitled to charge a flat-rate fee for the costs incurred. These costs amount to 30 % of the agreed fee in the event of a cancellation within 4–6 weeks prior to the start of construction, 50 % of the agreed fee in the event of a cancellation within 2–4 weeks prior to the start of construction, and 100 % of the agreed fee in the event of a cancellation at a later time or during the construction of the stand. The agreed fee has to be paid in full for individually crafted or purchased components and graphics.

3.8.1.2 Stand construction by Koelnmesse – individual stands and turnkey system stands

In a case where the stand construction has been ordered independently of the registration of a stand area, the provisions of Koelnmesse Group's General Terms and Conditions for services and Koelnmesse Group's Special Terms and Conditions for stand construction service apply. You can download Koelnmesse Group's General Terms and Conditions for services from the event's website or from www.koelnmesse-service-portal.de.

3.8.2 You shall be entitled to prove that no damages were incurred or that the costs were significantly less extensive than the fee charged.

4 Stand sizes and construction

4.1 Stand size

The minimum stand size is 12 sqm. Please note that hall pillars and other fixed construction elements may be present in the rented stand area. Minor deviations from the requested stand size do not entitle an objection to be made under Item II of the General Section of the Conditions of Participation. Trade fair partition walls for separating the stand area are not automatically provided. If needed as stand construction elements, however, they can be ordered for a fee using form S.10. This fee does not include stand construction. Koelnmesse GmbH will erect partition walls only if this is necessary for safety reasons due to the installation of water pipes or electrical systems.

4.2 Responsibility

Stand construction, design and operation of the stand must adhere to all regulations that are valid in Germany (including the regulations of the Sonderbauverordnung, the Arbeitsschutzgesetz (industrial safety law), the industrial safety regulations, the DIN and EN standards, the VDE regulations, and the accident prevention regulations of the professional associations in the currently valid versions). All these provisions apply to both the company's own as well as to independent stand designers, decorators and signwriters and to all persons insofar as they perform activities as commissioned by the exhibitor or on the exhibitor's behalf in connection with the build up and design of the stand. The exhibitor is responsible for ensuring that all regulations are complied with. The exhibitor must supervise construction personnel and other persons working on their behalf to ensure that they adhere to the regulations. The stipulations of the General Section of the Conditions of Participation and the Technical Guidelines are not affected.

4.3 Maximum stand height

The maximum height for structures or advertising material of all stand constructions (incl. signs, banners and other advertising and construction elements) is determined separately for each hall, to the extent that existing structures within the hall can individually accommodate any. Exceeding the limits of the maximum structure and advertising heights of any kind (lighting, screens and any stand construction) must be applied for and approved by Koelnmesse GmbH at the latest **six weeks** before build up starts. The rear walls of stands should be decorated in a neutral manner.

Hall 1.1: 5,00 m	Hall 4.2: 5,00 m	Hall 9: 8,00 m
Hall 2.1: 5,50 m	Hall 5.1: 5,00 m	Hall 10.1: 5,00 m
Hall 2.2: 5,00 m	Hall 5.2: 5,00 m	Hall 10.2: 5,00 m
Hall 3.1: 4,25 m	Hall 6: 8,00 m	Hall 11.1: 4,50 m
Hall 3.2: 5,00 m	Hall 7: 8,00 m	Hall 11.2: 4,50 m
Hall 4.1: 5,00 m	Hall 8: 8,00 m	Hall 11.3: 5,00 m

The maximum height for structures or advertising material of all stand constructions in passages and boulevards is 3.00 m.

4.4 Notice of approval

Stand construction may not commence until the exhibitor has received a copy bearing Koelnmesse's notice of approval. Otherwise, 100 % would have to be checked. This notice of approval does not release the exhibitor from the observance of the relevant provisions. It only states that Koelnmesse GmbH has no objections in the context of stand design/arrangement. If requested to do so by Koelnmesse GmbH, the exhibitor is obliged to submit any additionally required information relating to the stand immediately. There is no obligation on the part of Koelnmesse GmbH to ensure the observance of other provisions. Nevertheless, if an infringement of the relevant provisions is found to have been committed, Koelnmesse GmbH can, for this reason, also refuse to issue the notice of approval. You have been informed of the fact that in exceptional cases – at your request and on your account – the stand construction documents must be submitted to the responsible authorities for scrutiny. Irrespective of official approvals of the stand, any objections made by Koelnmesse GmbH concerning the stand must be responded to immediately. In case of imminent danger, Koelnmesse GmbH is entitled to determine at its absolute discretion the measures necessary and have them implemented at the exhibitor's expense.

4.5 Form of stand

The following terms are used for the stand forms:

Terrace stand:	one side open
Corner stand:	two sides open
Two corner stand:	three sides open
Island stand:	four sides open.

Deviations from the requested stand shape do not entitle an objection to be made under Item II of the General Section of the Conditions of Participation.

4.6 Construction and design of the stands

The stand must be constructed to comply with the form of the stand confirmed.

The arrangement of the stand is left to the exhibitor but should be appropriate for the event in question.

The exhibitor has to obtain information on the load capacity of the hall floor and the hall headroom. Only the on-site measurements apply to the stand area.

Banners and company signs are not permitted to encroach into the aisles. Koelnmesse GmbH also offers a completely outfitted turnkey stand system. Orders can be placed at www.koelnmesse-service-portal.de (KSP).

5.1 Exhibitor passes

Each exhibitor receives free of charge and valid for the period from the first day on which construction work begins to the final day of dismantling:

These passes are only valid before the event starts and after it ends. They do not entitle the holders to enter the grounds during the event. The passes are also sent together with the invoice for the participation fee. The number of work passes will be half of the number of exhibitor passes that you received. Additional passes may be requested via the Koelnmesse Exhibitor Services if required.

5.3 Exchange and return of passes

All passes are for specific individuals and are non-transferable. If stand personnel change during the event, you can exchange a used exhibitor pass (i. e. one bearing a name) one time and free of charge for a new pass. The passes are issued in the Exhibitor Services Centre.

Transferring a pass to a third party – whether sold or given free of charge – is not permitted and represents a severe violation of the Conditions of Participation, in accordance with Item VI of the General Section of the Conditions of Participation.

Unused passes and admission tickets cannot be returned to Koelnmesse GmbH.

5.4 Admission tickets

As an exhibitor, you are entitled to purchase **Priority Ticket-Codes for only EUR 27.00 (plus VAT)**. These tickets entitle the holder to a one-day visit and can be ordered in the ticket shop. In addition, as an exhibitor, you may obtain **Special Guest Card-Codes for only EUR 89.00 each (plus VAT)**. The Special Guest Card-Codes are valid for all five days of the fair and can be ordered in the ticket shop.

Transferring Priority Ticket-Codes and Special Guest Card-Codes to third parties for money is not permitted and represents a severe violation of the Conditions of Participation, in accordance with Item VI of the General Section of the Conditions of Participation.

6 Rules on selling

In view of the specialist nature of the event, direct sales of exhibits or samples from the booths are not permitted. Furthermore, exhibits may not carry a price tag. This regulation does not apply to printed matter such as trade publications and specialist journals. Koelnmesse GmbH has the right to carry out checks and, in the event of violations of these conditions, to take suitable measures. The direct sale constitutes a serious violation of the conditions of participation in the sense of item VI of the general part of the conditions of participation.
